SUGGESTED ITINERARY

3 Nights at Ellerman House Villa One OR Villa Two
3 Nights at Perivoli Lagoon House
3 Nights at Mhondoro Safari Lodge Villa

EH ELLERMAN HOUSE

Perivoli
Lagoon House

Ellerman House Villas

Perfectly complemented by the grand spirit of Ellerman House, the most recent additions to the property, Villa One & Two, provide a contemporary sophistication. Enhanced by sweeping views over the Atlantic ocean, these two private luxury villas are best suited for families and loved ones travelling together.

Exclusive and privately staffed, each villa offers all the benefits of hotel living with the advantage of complete privacy and flexibility, perfect for multigenerational families or groups of friends.

Built on multiple levels, each villa offers spacious entertainment and relaxation areas, numerous en-suite bedrooms and a private infinity pool with the best views Cape Town has to offer.

Perivoli Lagoon House

This 4 bedroom villa is available for exclusive use on a fully inclusive basis.

This is a perfect getaway and an oasis of serenity and tranquility that offers complete privacy on the water amidst the Cape floral kingdom.

Conveniently situated on the celebrated Garden Route within driving distance of Cape Town, Hermanus and Stanford, the Lagoon House is a peaceful base for discovering some of the Western Cape's most appealing destinations.

Whether it's watching a southern right whale breach the ocean surface or strolling through a sun-kissed vineyard and sampling its yield, the diverse ecosystem surrounding Perivoli Lagoon House provides an abundance of unforgettable activities to explore.

Mhondoro Villa

A home away from home

The Mhondoro Villa is perfectly suited for family or small group bookings.

The exclusivity of the Mhondoro Villa means that all meals and selected local drinks are included.

The Villa is equipped with its own private pool, a private gym, spa and yoga room, as well as a private game viewing vehicle with ranger, a private chef, a private butler and housekeeping staff.

The malaria-free Welgevonden Game Reserve lies within the Waterberg Biosphere in the Limpopo Province of South Africa.
